## bar options – cash bar

If you would like a bar where your guests can buy their own drinks, we can provide a cash bar. We supply all the equipment, glassware and staff.

### **This package includes:**

- Professional bar management
- Front and back bar
- Illuminated spirit display shelf
- All glassware for bar drinks
- Draught beer
- Refrigeration for bar drinks
- Professional bar staff
- Ice and fruit
- Bar sundries
- Bar license
- Over 40 varieties of drinks

(For a list of bar products please see page four)

You may wish to add a bar tab to this option for:

- your guests
- the Bride and Groom
- selected family members
- the entertainment staff or caterers
- or in order to give your guests an alternative to the reception drinks or meal drinks.

## bar options – free bar

If you would like to have a free bar at your event, we can provide all the equipment, glassware and staff for a set fee and either:

- a) You supply the alcohol for us to serve; or
- b) We source the alcohol for you at a cost price.

### **This package includes:**

- Professional bar management
- Front and back bar
- Illuminated spirit display shelf
- All glassware for bar drinks
- Refrigeration for bar drinks
- Professional bar staff
- Ice and fruit
- Bar Sundries

## wedding services

We also have a wealth of experience in providing bar services at the wedding breakfast. We specialise in organising:

### **Wine and Champagne**

We can source wine, champagne, table water or any other types of drinks you would like to offer to your guests for their arrival and during the meal. Please ask for our wine list.

### **Reception Drink Service**

### **Wine Service**

### **Champagne Toast Service**

### **Glass Hire**

We can supply the glassware for your reception drinks, table drinks and toasts at 20p a glass or 40p a polished glass.

### **Refrigeration**

Whether you source your own wine, champagne and water or buy them through us, we can arrange refrigeration for your drinks at a cost of £75 (standard price, please ask for a quote for large quantities of drink).
